Panel View – Original 2 doors

EMCO 400 Colonial Triple-Track

http://www.allseasonsdoors.com/doors/dsp_door.cfm?DoorID=124&showdoor=1

Energy Efficiency

- Low-maintenance aluminum over solid, moisture-resistant wood core.
- Quad Seal system seals the door on all sides.

Beauty

- Elegant 12-lite grille design.

- Solid-brass interior/exterior handles.
- Brass finish sweep accents handles.
- Molded kick panel eliminates unsightly screws.

Convenience

- Triple-Track windows open at the top, bottom or both.
- Exclusive FlipAway™ handle turns straight up and stays in place for obstruction-free window removal.
- Reversible hinges allow left or right door handle placement; open 180° (when needed).

Security

- Deadbolt with keyed lock is built into the door frame.
- Tempered glass offers increased safety over non-tempered glass.

oor=1

Energy Efficiency

- Low-maintenance aluminum over solid wood core.
- Quad Seal system on bottom, sides and top — including water-diverting rain cap.

Beauty

- Elegant 12-lite grille design.
 - Solid-brass (exterior) and color-matched* (interior) handles.
 - Brass-finished sweep enhances home's beauty.
 - Molded kick panels — no unsightly screws.
- * Black for Bronze

Convenience

- Triple-track window system ventilates from top, bottom or both.
- Reversible hinge lets you match left- or right-side entry door handle. Opens 180° when needed.

Security

- Separate deadbolt for added peace of mind.
- Tempered glass provides extra safety.

Durability

- Innovative window system and molded kick panels (no screws) provide outstanding protection against water infiltration.
- One closer.

Other Screens

For patio door use only.
